About Edspire

Edspire is a pioneering platform bridging the gap between education and global exploration. We specialize in creating immersive edu-tourism experiences for students, blending academic excellence with cultural and industrial exposure.

About the Program

This program is meticulously designed for aspiring engineers and technologists, focusing in CSE, AI & ML, IoT, Data Science, EEE, and ECE. Participants will gain global exposure through hands-on learning, industrial visits, and expert-led workshops.

PROGRAM OUTLINE

- Day 1: Orientation and Introduction to Advanced Technologies
- Day 2: Interactive Workshops on AI, IoT, and Data Science
- Day 3: Industrial Visit to Top Engineering and Tech Companies
- Day 4: Hands-on Project Development in AI and IoT
- Day 5: Presentation and Feedback on Group Projects
- Day 6: Networking Event with Industry Leaders
- Day 7: Excursion to Twin Towers KLCC, China Town, Central Market and Batu caves Murugan Temple
- Day 8: Excursion to Putrajaya Mosque, Botanical Garden Putrajaya, and IOI City Mall
- Day 9: Excursion to Malacca, UNESCO World heritage site, Portuguese Town
- Day 10: Excursion to Bukit Bintang, Pavilion Mall

PROGRAM DURATION 12 DAYS

What's Included?

- Round-trip Flight Ticket
- Air-conditioned Accommodation
- Food (Breakfast | Lunch | Dinner)
- Visa Fee
- International Travel Insurance
- Local Transportation (Air-conditioned Bus)
- Course Fee
- Industrial Visit
- Local Tour Guide

Program Outcomes

- Hands-on experience with AI, IoT, and Data Science tools
- Practical project exposure under expert guidance
- Networking opportunities with global industry leaders
- Internship opportunities for top-performing students
- International Certificate for career enhancement

Additional Benefits

Students will be selected for an internship program (remote or on-site), providing a unique opportunity to work on real-world projects with industry leaders.
